The image shows a close-up of a metal safe door. On the left side of the door is a keypad with 12 buttons arranged in a 4x3 grid. The buttons are labeled with numbers 1 through 9, 0, and symbols for backspace (an arrow pointing left) and a power/lock symbol (a circle with a dot). Below the keypad is a small circular handle or lock mechanism. To the right of the keypad are three vertical panels, each containing a list of names and numbers. The first panel has 10 entries, the second has 10 entries, and the third has 6 entries. The text is handwritten or typed on a light-colored background.
